**Why do you want to be a school board member?**

I would like to continue to serve as a school board member as a way of giving back to The District in the community that has provided my daughters with a superior education; one of the best in our County.

**What do you think are the two top issues facing Churchville-Chili schools over the next three years?**

Covid-19 has been a challenging time for everyone. We need to make sure to get all our children back in school as safe and secure as possible. Additionally the 2% cap and state budget cuts and how they will affect the district, is an issue. Lastly, making sure we have a financially sound budget that does not negatively affect the education of our children.
