

SUBJECT: SCHOOL CENSUS AND COUNT OF IMMIGRANT CHILDREN AND YOUTH

Although not required by law, the Churchville-Chili Central School District may take a census of all children from birth to eighteen (18) years of age. Census data shall be reported as required by law.

Count of Immigrant Children and Youth

The District is required to count the number of "immigrant children and youth" enrolled in the public and nonpublic schools in the geographic area under the jurisdiction of, or served by, the District. The results of this count have important implications for the receipt of supplemental funds to the District for services to recently arrived immigrant children and youth.

Count of Immigrant Children and Youth, 2006 (Cont'd.)

For purposes of this count, the term "immigrant children and youth" shall include those individuals who:

- a) Are ages three (3) through twenty-one (21);
- b) Were not born in any state or from the Commonwealth of Puerto Rico, the District of Columbia, Guam, American Samoa, the U.S. Virgin Islands, the Northern Mariana Islands, or the Trust Territory of the Pacific Islands; and
- c) Have not been attending schools in any one or more States for more than three (3) full academic years.

Each nonpublic school within district boundaries will report its data to the district. It is the responsibility of each public school district to report its immigrant count as well as the counts for all nonpublic schools within its jurisdiction.

In accordance with law, the District shall conduct its survey and submit the information electronically to the SED by the specified deadline date. The District must also maintain on file a list of the immigrant students counted, their countries of origin, dates of arrival, and the public or nonpublic school in which they are registered, as well as copies of the letter to each of the nonpublic schools in its jurisdiction regarding the count.
