

SUBJECT: PARENT CONFERENCES

The Board of Education encourages parent conferences with teachers as an effective means of communication between the home and the school. These conferences provide opportunity for open communication regarding administrative procedures, instructional programs, goals and objectives, and pertinent information regarding student progress.

Teachers have a responsibility and are encouraged to meet with parents to discuss student progress and problems. When a parent requests a conference with a teacher, the teacher shall make every effort to arrange a mutually convenient time. Such conferences should be scheduled around the school day so as not to interfere with the instructional process. Teachers should notify the appropriate building principal in advance of such conferences.

Bulletins and manuals containing information necessary for the full understanding of the school program by parents and other citizens will be regularly provided by the District. The Board believes that parents are entitled to be informed concerning all phases of education.
