Why do you want to be a school board member?

Involvement in community, interest in curriculum and programs available to children, volunteering my time to help make a difference.

What do you think are the two top issues facing Churchville-Chili schools over the next three years?

1. The effects of COVID-10 virus; “home schooling” vs “in school,” assuring protocols are in place and proper PPE is available for all faculty and staff, putting students’ health and safety first.
2. Budget constraints and how to work within them, while providing quality teaching and learning tools.
