Message to families

Update - April 16, 1 p.m.

Good afternoon,

Earlier today the Governor issued an Executive Order to extend school closures across New York through May 15.

For some positive news, please access our [Bright Spots](#) to see the Celebration of our Seniors, Class of 2020, as they receive a special lawn sign and cookie from our Churchville-Chili PTO and staff.

Thank you for your patience and understanding as we work through this situation together. More details will be shared later regarding the rescheduling of our May events.

Please stay healthy and maintain appropriate social distancing practices as this is still the most important step we can take to slow the spread.

Sincerely,

Lori Orologio
