

5/20/20, 1:45 p.m. message for families

Dear Churchville-Chili Families,

As we are nearing the end of May, we are making final decisions regarding end of year grading, reporting, and school closing procedures. Next week we will be sharing with you the end of year calendar along with the process for retrieving student belongings and materials.

Student Materials and Belongings Retrieval - Currently each principal is finalizing a detailed plan to communicate with families regarding pick-up dates and times for student belongings. Due to the capital project work at Churchville Elementary, CES students will be able to pick up supplies and materials on May 28. Mr. Johnson will be providing specific details in an InstantConnect message and eNews to CES families later today. All other schools will be providing a June timeframe for students to pick up their belongings.

In the meantime, the office of instruction continues to update information on the [Churchville-Chili Learning Activities Google site](#). Recently, a STEAM (Science, Technology, Engineering, Art and Math) page was added with access to specific activities for all ages to extend and engage learning experiences. In addition, you will find information specific to the [Children's Online Privacy Protection Rule \("COPPA"\) on our district website](#) which details the criteria we follow when selecting and utilizing websites and apps for instructional purposes. Teachers will continue to provide instructional materials and resources and remain in contact with your children through the end of the school year.

School Budget Vote 2020-2021 - Our budget vote is scheduled for June 9, 2020 by absentee ballot only. All district households will receive two ballots in the mail between May 27 and June 3. Additional ballots may be requested for qualified household members by calling 293-1800 ext. 2305 or online at: www.cccsd.org/BallotRequest.aspx.

Voter qualifications are:

- You must be a U.S. citizen
- You must be 18 years of age
- You must be a Churchville-Chili resident for at least 30 days prior to vote

All absentee ballots must be received at District Office by 5 p.m., June 9, 2020. You can watch the Public Hearing on the budget via livestream on our district website on May 26 at 7 p.m. More information about the Proposed 2020-21 School Budget and Board of Education can be found at www.cccsd.org/BudgetDevelopment.aspx.

Transportation for 2020-2021 School Year - Along with other school districts, we continue to experience a bus driver shortage. In order to maximize our resources, we

are asking parents to let us know if their child will **not require transportation** for the 2020-21 school year. Having this information in advance will allow us to route more efficiently, potentially reduce ride times and provide more accurate arrival times.

Please [complete this online form](#) if your child will **not** be in need of transportation in the fall. **Should your circumstances change at a later date, you may contact our transportation department to reinstate transportation.** If you have any questions, please contact our Transportation Office at (585) 293-4544.

Thank you for your partnership during these past few months. It has certainly been challenging for all of us and we truly miss your children and the opportunity to see them in person. We are in the midst of creating a re-entry plan and remain hopeful to be back in session in person in the fall.

I hope that you are able to get outside and enjoy the sunshine and warmer weather for the next few days.

Sincerely,
Lori Orologio
Superintendent of Schools
