Hello and Welcome Back,

IN SCHOOL

Breakfast: Breakfast will be available in each building. It will be a pre-packaged grab and go meal. There will be no choice as to what the student receives. The weekly menu will be posted on the district web page.

Lunch: For those students who will be in school, we will offer a choice of a hot lunch or a cold lunch each day. The menu will be posted on the website each week. When a student purchases a lunch, they will receive their entrée and all the other sides on the menu. They will then choose what type of milk they would like. A 2nd entrée will not be available for the first 2 weeks of school.

A la carte items:

*K-4 will only be able to purchase milk or water.

*5-6 will have limited offerings each day.

*7-12 will have a la carte items available, but variety will be limited. Students will only be allowed to purchase items once to limit movement among students.

REMOTE FEEDING:

*Only enrolled students will be eligible to receive a meal.

*The remote feeding site will be located at the MSN cafeteria door 32 from 10:30 am – 12 noon.

*When picking up a breakfast and lunch a student ID number is required. If a parent/guardian is picking up a meal for multiple students, an ID number will be required for each student.

Payment: For meals that require payment, funds need to be added to your students account by using MySchoolBucks.com or by sending a check made payable to Churchville Chili School Lunch and mailed to Nutritional Services, 139 Fairbanks Rd., Churchville, NY 14428. Cash will be accepted, but in order to reduce the contact time, all cash received will be placed on the student's account. No change will be given back.
