Ninth Grade Academy
House Administrator

Christie DeWald
Assistant Principal
(A-F)

Steve Colabufo
Assistant Principal
(G-N)

Jason Cline
Assistant Principal
(O-Z)

August 19, 2020

Greetings students and families,

I am contacting all students and their families who registered for a Career & Tech Education program at WeMoCo. Your course selection currently includes a trade program. Maintaining these programs with as much in-person, hands-on learning as possible is a high priority while meeting the demands of the COVID-19 reopening guidelines.

Therefore, all WeMoCo students who selected the hybrid model will use the established WeMoCo hybrid schedule. Please note that the day rotations are different than Churchville-Chili's but will ensure students are in person a minimum of two (2) to three (3) times each week.

AM Program Students:

- Full day in-person on Monday, Thursday for CC and WeMoCo & every other Wednesday for WeMoCo only
- Full day remote on Tuesday, Friday & every other Wednesday

PM Program Students:

- Full day in-person on Tuesday, Friday for CC and WeMoCo & every other Wednesday for WeMoCo only
- Full day remote on Monday, Thursday & every other Wednesday

The approach has several benefits:

- Organizes students' schedules to reduce transitions and possible confusion. Students will be in-person on both campuses on the same day and remote on the other days.
- Significantly reduces the need for transportation. The less time spent in transport, the more time spent in instruction.

Enclosed you will find a two (2) week calendar to assist with your planning. Lastly, please complete the online questionnaire to confirm your instruction and transportation needs by August 25. Use the link or QR code to access the online form.

Sincerely,

Scott Wilson
Executive Principal
