Dear Churchville-Chili Family:

Welcome to Churchville-Chili School District. The goal of the District is to provide a safe school bus ride for your child to and from school. We ask that students be ready at the bus stop five minutes before the scheduled time. In order to ensure proper arrival time at school, buses will continue on their way if your child is not outside and ready to board when the bus arrives.

In the interest of the safety of your child, phone calls requesting same day changes in transportation for your child will not be honored.

TRANSPORTATION TO AND FROM HOME

You do not need to contact us if your children are being picked up and dropped off from their own home. Before school begins, your children will receive a letter with bus information. Each letter will indicate a place for and an approximate time of pick-up and drop off. Please allow a five (5) to fifteen (15) minute wait window.

TRANSPORTATION TO AND FROM CHILD CARE LOCATIONS

The childcare form on the reverse side must be submitted **BEFORE APRIL 1, 2020.** According to state law and to district policy, child care locations must be located within the same school attendance boundary as the student's home school, unless the sitter is licensed by the state of New York. In the latter case, the child care location must be located within the school district boundaries.

In the interest of your child's safety, it is very important that sitter arrangements be consistent and simple. **Varying schedules cannot be accommodated**. The ideal schedule to monitor is one where the student goes to and from the same place every day. If you have any questions about transportation, please feel free to call 293-4544. We look forward to safely transporting your children in the upcoming school year.

Sincerely,

Renée C. Hensel

Transportation Director

Renée C. Hensel
