Internet Access Agreement for Viewing Student Information Using the Churchville-Chili Central School District Parent Portal

I have requested to review my child's student information on the Churchville-Chili Central School District Internet Parent Portal web site. I have read the CCCSD User Expectations and Computer Requirements for the district parent portal and agree to abide by and support the expectations outlined therein. I understand, for the interest of security, that CCCSD reserves the right to change user passwords or deny access at any time. By signing-up for this access I, as parent/guardian, release CCCSD from any and all liability for damages arising out of the unauthorized access to my parent/guardian account.

I agree that I will not share my username or password or allow anyone other than myself to use the account including my own child(ren).

I understand that three unsuccessful logins disables my account. If my account becomes disabled and locked I will be required to contact the district Central Registrar's Office and request the account to be unlocked. I will provide the "Personal Login ID" given to me at the time the account was created and answer any questions to verify my identity. In the sole discretion of the District, the account may be unlocked, but I understand that it may take up to 3 to 5 school days to have my account unlocked.

I have checked that the computer I will be using to access the internet site for viewing student information meets or exceeds the minimum requirements as identified on the CCCSD web site.

If for any reason I accidentally gain access to unauthorized records through the CCCSD parent portal, I agree to immediately notify the District Office at 293-4457.
