

Summer Activities

Sun	Mon	Tue	Wed	Thu	Fri	Sat
Count how many more days until the first day of kindergarten.	Have your child sing the "ABC song."	Read a book together. What was your child's favorite part and why?	Have your child look for items in your house that start with the same letter as their name.	Make a collage. Cut pictures out of news papers and magazines.	Play a board game together. Practice taking turns. Talk about who goes first. Who goes second?	Have your child sort their books from tallest to shortest on their bookshelf.
Divide a deck of cards . Each player flips over the top card. Which card is greater. The player with the bigger card gets both.	Go on a shape hunt. Name the shapes you find.	Think of words that rhyme with cat.	Have your child practice writing their name in shaving cream.	Go on a letter hunt. Pick one letter from your child's name. Hunt for this letter in books, on labels and around the house.	Talk about your day. What did you do in the morning? What did you do in the afternoon? What did you do at night?	Practice skipping!
Go on a sound hunt. Find objects that start with the T, P and R sounds.	Enjoy a snack together. As you eat ask "who has less now?"	Have your child find 3 things that are longer than their foot.	Read the <u>Three Little Pigs</u> . Which pig would you be and why?	Draw a picture for someone special.	Play with a beach ball. Practice catching, rolling and kicking.	Use play dough. How many letters can you make?
With your finger, draw letters on your child's back. Have them guess the letter.	Have your child explain how they are the same as a friend and how they are different.	Provide your child with clothing items in a box for playing dress up.	Count the steps from your bedroom to kitchen.	Draw a self portrait.	Go on a walk. When you come back draw what you saw.	Practice cutting zigzag, curved and straight lines.
Place an item in a paper bag. Have your child ask yes or no questions to guess what's in the bag.	Demonstrate how to cough into your elbow so you don't spread germs.	Have your child sort laundry items. Separate socks from shirts.	Play a game of "Simon Says."	Write numbers using sidewalk chalk.		
Go on a number hunt. Find and circle the number in grocery ads.	Visit a playground. Practice waiting your turn and	Practice tying shoes.	Practice counting. Stop at certain points and have your child fill in the next number.	Practice zipping your backpack.
